### **What Students are saying:**

Praying the rosary as a class strengthened my faith in God. Prayer is a way to help us to get in touch with God and develop a deep connection with Him. In prayer we not only talk to God, but He communicates with us. Praying the rosary also strengthens our Catholic faith. It strengthens your inner faith and when you pray as a class, you can all pray together as one. After praying as a class you get more positive thinking, you will see the image of God in everyone. Praying the rosary helps you to understand God's deep and everlasting love for everyone. His everlasting love for us is very strong, so we know that God will always be there for us in the good times and the bad. That strengthens my faith in God because I know that He is always there, listening to my prayers. **Anna**

Over the past few months I have learned how to pray the whole rosary, I like it a lot because, I feel that Jesus and Mary are watching us pray. I know the whole Hail Mary by heart, that's the prayer I pray at night. This experience is so important because now that I know how to pray the whole rosary, I can teach others who don't know how. I think that it is very important that everyone knows how to pray the rosary. **Deanna**

The rosary gave me time to relax in the class, I could be with God and when we did it, I learned how to relax and love God better! Even better, my whole class got to experience the feeling too and they've been

acting better now. The rosary has really made a giant mark in heart and in my whole class. I love the rosary and hope it goes on for a while. **Anabelle**

Thank you for giving the time to share, for teaching us of God. Also I think without your help a lot of us wouldn't be involved in the rosary. Thank you for getting us involved in the rosary. You helped us understand the way of God. You made us more devoted to love all that was given. You cared enough about us to come to our school, and decorate our gum. We are so happy and thankful for having people who care. **Sophia**

### **A letter of appreciation:**

Please accept this letter of appreciation for the volunteers of the Rosary Apostolate in the Schools. During the week of Catholic Education Week, we have had the Rosary Apostolate volunteers work with our students each day to prepare them for Our Lady of Guadalupe performance and The Living Rosary. The volunteers worked with over 80 of our students from various grades, and I have never seen more dedicated, caring, and compassionate group of individuals who are true examples of God's servant leaders. The volunteers have accomplished something that is invaluable. They have brought the Church, prayer, and gospel message to our staff, students, and parent community. On behalf of St. Raymond school, I wish to send my sincere appreciation to the many volunteers who have given up their time to bring prayer to our students. I look forward to working with the volunteers in my many years as principal with a Catholic School Board. May God's blessing and spirit continue to bless the many volunteers who gave their time for the students at St. Raymond...

**Mr. Wayne Brunton, Principal**

### **“A Rosary Moment” in my classroom:**

We had some sad news at our school last week about a beloved staff member who is ill and who came into the school to be honoured in a ceremony we held last week with the students. My class, (particularly my boys) were quite upset after the ceremony as everyone had been crying and there was melancholy feel to the day. After lunch, one of my boys asked if we could go downstairs to the chapel and pray the rosary for this staff member. The class agreed unanimously and we went downstairs to have a very powerful and emotional rosary session. It was so reassuring to see these young people (grade 6) turn to their faith in a time of difficulty. I just wanted to share this remarkable moment with you to let you know that your efforts and dedication is truly noted and inspirational to our young people. Thank you. Sincerely, **Michelle Fobert**
